

GLoucestershire PRINTMAKING COOPERATIVE

Open printmaking days

4th - 7th May 2010

The **Gloucestershire Printmaking Co-operative** are opening their studios to anyone interested in dropping in to have a look around. Come and have a coffee and cake and chat about printmaking with our members. There is no need to phone - just pop along.

The studios will be open from 9.30 – 12.30 Tuesday to Friday from the 27th - 30th April & 4th - 7th May.

If you are a printmaker or would just like to try your hand at a few different techniques, give us a ring on the numbers below and we will find a time that is good for what you want to do. You do not need to become a member for the open printmaking days. The charge for printing is £10 per morning plus materials. If you have little or no experience there will be technicians there to help.

Techniques on offer are screen-printing, lino cut, wood block, collagraph, monoprinting and drypoint.
